you have a goal or a mission?

YOU HAVE THE FIRST SPARK OF AN IDEA OR YOU ARE DEVELOPING A START-UP?

Convince us in short pitch and we team up with you. We provide founding experience, high-tech expertise, excellent networks with high reach and the necessary investment. All it takes to convert your vision into your success.

WE ARE POWERED BY PHYSIK INSTRUMENTE (PI) GMBH & CO. KG

Hungry for new ideas in digitalization, life science, energy and application automation.

YOUR POPUP PITCH

What you present to us remains yours! We will sign a personalized copy of our NDA on-site before your pitch. You get a luxurious 7 minutes time slot to pitch your idea. Perform freestyle or use our large screen: all connections are available. Questions will be asked by our panel, be assured! We want to 100 % understand your idea and its value proposition. The winners will be invited to pitch at the PI.board and at our investors.

OUR FEEDBACK

Feedback is of great value for starters: you will get our first feedback immediately after your pitch. The winners will be informed until 03.04.2023. After that, each participant receives personal and more detailed feedback, including recommendations, in a private session.
